

If you are looking for full, rich background music in a small café, tearoom, ice cream parlor,... BISTROSET is the sound solution you need.

The APart CHAMP3D amplifier is the heart of this system. Its 'no-fan' convectional cooling guarantees totally silent operation, while the lockable front panel makes sure that no one tampers with your settings. Four MASK4 speakers fit in any interior style, and are completed with two discrete but powerful on-wall SUBTILE subwoofers.

- 4 x MASK4 cabinet speakers
- 2 x SUBTILE subwoofer
- 1 x CHAMP3D amplifier

BISTROSET-BL: black cabinet speakers black subwoofers

BISTROSET-W: white cabinet speakers and white subwoofers
